JOINING ON MICROSOFT TEAMS

Subject: Leadership Pride, Dr Sabrina Cohen-Hatton

Date: Thursday 3rd December

Time: 10.00am - 11.30am, please join from 9.45am

Thank you for booking your place on our Leadership Pride Series. This event will take place over Microsoft Teams Meetings on Thursday 3rd December from 10.00am - 11.30am. The link to join has been emailed to you.

When in the meeting:

- Please ensure your camera is switched off and you are on mute.
- We welcome you to ask questions throughout, please use the chat box to the side of the screen for questions and comments for our speakers.
- Can we kindly remind colleagues to be respectful of others when submitting comments and questions at these events.

Top tips to join and troubleshooting

- Make sure you've shut down and re-started your laptop from the day before. This makes sure any updates have installed.
- Join the event 15 minutes before the start of the stream, we will be hosting an on-boarding session before the event starts.
- Make sure you're not downloading anything over WiFi when joining the briefing and try to avoid others in your home livestreaming at the same time.
- Close any unused browsers, browser tabs and other unused windows.
- Items like microwaves, cordless phones and baby monitors can sometimes interfere with home WiFi. Switching them off temporarily may make a difference.
- Try to minimise obstructions between your working area and WiFi aerial.
- To turn on live captions and subtitles, select Captions/Subtitles On in your video controls.

If you have any problems joining the event, please contact the team:
